

# THE HUDDLE FOR HOPE FOUNDATION

## EDUCATE

Through sport specific camps, we plan on supplying athletes with the information and guidance needed to perform at a high level in whatever sport they choose.

## SUPPORT

Through fundraising and donations, we want to be able to help youth athletes who can't afford to buy the equipment they need or may have a sports related injury that their family cannot afford.

## INSPIRE

Through the words and actions of respected athletes and community members, we hope to inspire the next generation of athletes to realize their own abilities and potential.
